

Deposits, Discounts, Monthly Payments

\$50 Deposit

We require all registrants to pay the \$50 deposit fee at the time they register. It is a non-refundable deposit because we use it for up-front purchases, such as craft supplies, t-shirts, tie-dye ink and other activity supplies.

\$20 EARLY BIRD Discount

The Early Bird Discount is intended to reward families for registering early--it helps us to better plan purchases and staffing.

\$20 SIBLING Discount

We add the \$20 Sibling Discount to the \$20 Early Bird Discount for registered campers from the same family for a total discount of \$40 per camper.

\$20 Work Day Discount

Campers can earn an additional \$20 discount by participating in one of the pre-scheduled, multi-congregation Work Days listed below (limit one per camper):

Reynoldswood, Sat., May 4
Wesley Woods, Sat., May 18

\$40 GROUP Discount

The Group Discount is intended to help those churches who register multiple children, but cannot always make the Early Bird Deadline. To qualify a church representative must enter all of their youth registrations into our online group registration system.

Discount RESTRICTIONS

The \$40 GROUP Discount may NOT be combined with Early Bird, nor Sibling Discounts.

The maximum discount per camper is \$60.

Camperships (Camp Scholarships)

We stopped offering Camperships in 2014--we now connect families to local UMC Congregations; thus, building connections and growing relationships.
